Hi Peter – Please see email below. Who would be the right person to have on the line? And I'm assuming we should loop in ORC...

Please advise,

Hi – would you mind getting this one going? I can't remember who the lead is on the Back Forty mine. I can take it over if the call is next week. Thanks.

Good afternoon Denise,

I wanted to see if I could schedule a time to talk with you or one of your colleagues regarding EPA's involvement in state mining projects, specifically the Back 40 Mine in Michigan (on a shared waterway with WI). Hoping we could set something up this week or early next?

I look forward to hearing from you.

Thank you,
